An aerial photograph of a multi-lane highway interchange. A blue trapezoidal area is highlighted on the left side of the main road, near a small overpass. Yellow lines delineate various parcels and road boundaries. Several vehicles are visible on the highway. A scale bar is located in the bottom left corner.

An aerial photograph of a highway interchange. A multi-lane highway runs diagonally from the bottom left towards the top right. A yellow line outlines a large area of land adjacent to the highway, including several rectangular plots. A blue shaded area highlights a specific section of the highway and the adjacent land. The surrounding landscape is a mix of green fields and some wooded areas.
